

Job Description

Our Privately owned, out patient physical therapy chain is looking for Full Time and Part Time **Physical Therapist Assistants**. Day and evening hours are available. Monday-Friday.

Dynamic Rehabilitation Services is a highly progressive chain of outpatient clinics whose mission is to provide the highest standard of care in manual therapy, therapeutic exercise, and patient education. We are always looking for excellent candidates and we value "people skills" above all else, As a family owned business, we're looking for someone interested in a career, not just a job. Staff members at Dynamic Rehab are part of a team and become part of the family.

The ideal candidate must be a solidly educated clinician and possess a strong desire to sharpen their manual therapy skills and broaden their clinical acumen. (New graduates are encouraged to apply!)

This energetic candidate will have strong verbal and written communication skills and will be able to comfortably multitask such that they can effectively handle treating a full patient load.

Job Requirements

- A degree from an APTA Accredited Program
- The candidate shall have (or shall have applied for) a current license in good to practice in the State of Pennsylvania.
- Good verbal and written communication skills
- Ability to function independently as an interdisciplinary team member
- Must be adaptable and flexible
- Excellent time management and organizational skills
- Ability to articulate the value of the PT discipline
- Basic computer skills

This position offers great growth potential, a competitive salary, healthcare benefits, annual con-ed stipend, accrued vacation and personal time as well as paid holidays. We operate multiple, well-equipped facilities and work with some of the premier doctors and surgeons in the Philadelphia Region. If you are interested in joining our team, please feel free to forward your resume and cover letter to hiring@dynamicrehabilitation.com.

Principals only. Please apply for this job directly. No recruiters or agencies.
